

CREATIVE GRAPHIC DESIGNER

Serviceplan Benelux is looking for a full-time Creative Graphic Designer for his studio.

About the employer

The Serviceplan Group is the largest and most diversified ownermanaged and partner-managed agency group in Europe. Founded in 1970 as a traditional advertising agency, Serviceplan swiftly developed the concept of a “House of Communication”. This is still the only fully integrated agency model in Germany (and in Benelux), combining all manner of communication disciplines under one roof: whether they are brand strategists, creative professionals, design, media or online specialists, web designers, dialogue or CRM experts, market researchers, PR consultants or sales specialists – at Serviceplan, everybody pulls in the same direction at more than 35 locations worldwide. As early as the start of the 1980s, Serviceplan adjusted to the requirements of the future in the area of media and, in the mid-90s, was the first communication agency to venture into the growing online market: today, as well as Serviceplan itself, the additional corporate brands within the Group – the media agency Mediaplus, the digital agency Plan. Net, and the market research institute Facit – also rank among the market leaders in their respective competitive environments. The precise interplay between the various specialist agencies – more than 40 in all – in matters of creation, technology and media makes Serviceplan the leading agency group for innovative communication.

Description of the function

The Graphic designer create visual communications to convey messages in an effective and aesthetically pleasing manner. He check and adapt the files for printing in compliance with the graphic charters and previously established deadlines. He has to be creative, with an eye for details and good design.
